

RNA polymerase II transcription regulator recruiting activity

transcription regulator recruiting activity

size

p.adjust

plant-type cell wall biogenesis

cellular polysaccharide biosynthetic process

cell wall macromolecule biosynthetic process

plant-type cell wall organization or biogenesis

polysaccharide biosynthetic process

cell wall polysaccharide metabolic process

carbohydrate biosynthetic process

cellular carbohydrate biosynthetic process

cell wall macromolecule metabolic process

plant-type secondary cell wall biogenesis

cellular polysaccharide metabolic process

polysaccharide metabolic process

hemicellulose metabolic process

cell wall polysaccharide biosynthetic process

cell wall biogenesis

cellular component macromolecule biosynthetic process
