plant-type cell wall organization or biogenesis

carbohydrate biosynthetic process

plant-type secondary cell wall biogenesis

xylan biosynthetic process

plant-type cell wall biogenesis

polysaccharide biosynthetic process

cell wall biogenesis

cell wall macromolecule metabolic process

xylan metabolic process

polysaccharide metabolic process

hemicellulose metabolic process

cellular carbohydrate biosynthetic process

cell wall polysaccharide biosynthetic process

cellular polysaccharide biosynthetic process

cell wall macromolecule biosynthetic process

cell wall polysaccharide metabolic process

phenylpropanoid metabolic process

phenylpropanoid biosynthetic process

secondary metabolite biosynthetic process
